INSTRUCTIONS FOR COMPLETING DLA FORM 1822, END-USE CERTIFICATE

Revision May 11, 2010

DoD Instruction 2030.08, Implementation of Trade Security Controls, Implementation of Trade Security Controls (TSC) for Transfers of DoD U.S. Munitions List (USML) and Commerce Control List (CCL) Personal Property to Parties Outside DoD Control (May 23, 2006). TSC are applied in the interest of U.S. national security. The DoD Components shall apply TSC measures to prevent illegal acquisition or other unauthorized transfers of defense and dual-use technology, goods, services and munitions by or to individuals, entities and/or countries whose interests are adverse to the United States and to prevent those technologies, goods, services and munitions from being exported directly or indirectly into unauthorized areas designated by the Secretary of State, the Secretary of Commerce, or the Director of Foreign Assets Control. DoDI 2030.08 requires that Trade Security Controls be implemented whenever United States Munitions List (USML) or Commerce Control List (CCL) property is transferred. Trade Security Controls are implemented to prevent the illegal acquisition or other unauthorized transfers of USML or CCL items to ineligible transferees. These controls include the requirement to notify purchasers of export license requirements and the requirement that purchasers complete end-use certificates. All individuals wanting to acquire Department of Defense surplus property, identified as USML or CCL items, are required to complete the End-Use Certificate (EUC), DLA Form 1822.

It is your responsibility to fully and accurately complete this form. The use of "homemade" EUCs is discouraged because they are not covered under the Paperwork Reduction Act. Due to the critical nature of this document. **Failure to comply with any of these instructions and/or accurately provide the required information will result in this EUC being deemed unacceptable, will cause significant delay or denial in obtaining the Trade Security Control (TSC) Assessment required to receive USML/CCL property, or the form Returned Without Action (RWA).** As part of the TSC Assessment process, personal identification information is necessary to include any one of the following forms of identification:

- U.S. Government I.D
- U.S. Passport
- Valid Driver's License
- State Government ID Card

- Visa
- Naturalization Papers

NOTE: All forms of identification must be current, valid, and legible.

Every block on the EUC must have an entry.

If the information being requested does not apply to your situation, the only entry which will be acceptable is "**NOT APPLICABLE**" (do not use N/A, N/R or draw a line). If you have to repeat information that was previously entered in another block, cite the SECTION, block number and/or letter; i.e., "SAME AS SECTION 'X', BLOCK 'X'".
